

Dutch Corner Bike Loop

Miles: 18, Rating: Moderate

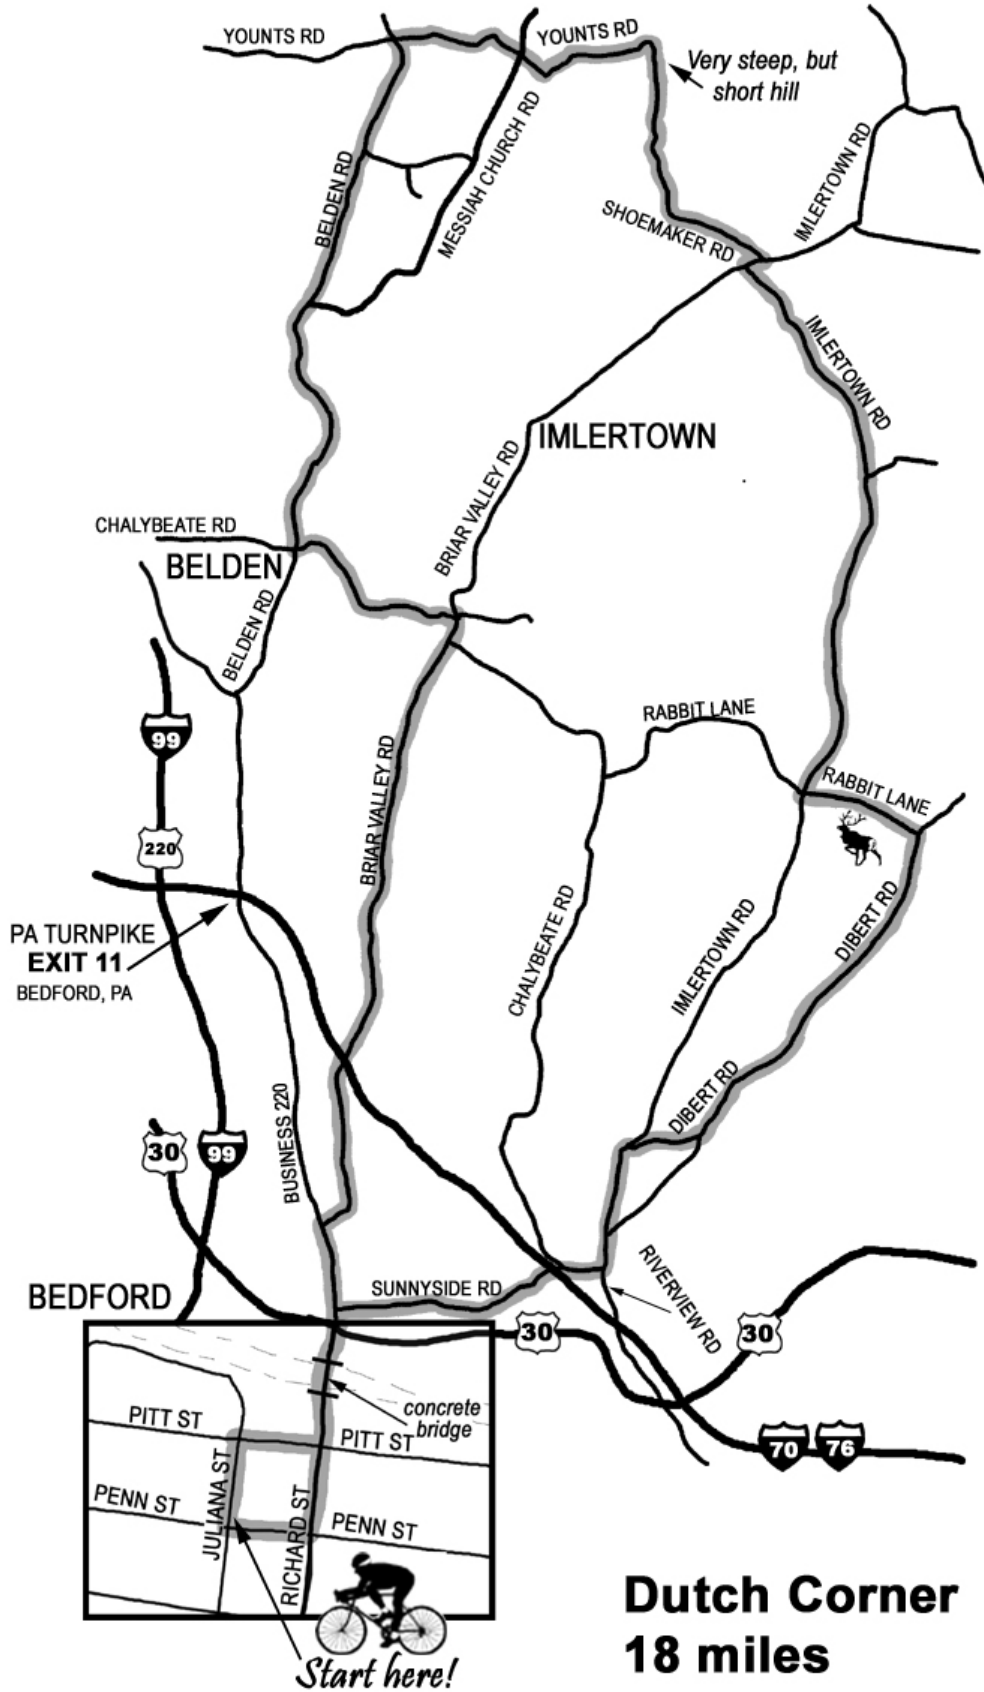

This ride starts at the Bedford County Visitors Bureau office (131 South Juliana Street) in downtown Bedford, PA, and goes for an 18 mile loop of the farmside just outside of town. Mostly rolling hills with one nasty climb in the middle. The scenery is gorgeous and the roads except Rt. 220 and in town are lightly trafficked. There are no facilities along the route, so bring what you need.
