

## Tussey Loop II

38.5 miles (fairly difficult)

This ride is for experienced riders. Vehicular support can be arranged at Grouseland. Not nearly as hard as the Ring around Tussey this ride does much of the same route. There is a picnic area at mile 14 with water and toilets, but there are no other facilities so you will have to bring what you need with you. The ride starts and stops at Grouseland where you can stock up on energy food, and go swimming or shower off when you are done. There is a wild animal preserve on the ride where you might see wild boar and elk.

To get to [Grouseland Tours](#) from Bedford, take 30 east to Everett, 26 south to Clearville, in Clearville where 26 heads south, you must proceed straight to Big Creek, go right for 11 miles to Purcell, left on Purcell Rd. and left on Robinsonville Rd. ¼ mile up the hill on the left is Grouseland, (you can follow signs from Everett).

| Miles | Distance to next direction | Directions  | Comments   |
|-------|----------------------------|---|--|
| 0.0   | 0.9                        | At Grouseland Right on Robinsonville Rd. stay right over bridge | ...  |
| 0.9   | 1.6                        | Left at stop onto Big Creek                                     | <b>Dangerous intersection!</b>   |
| 2.7   | 5.7                        | Right onto Clear Ridge (Rt. 26)                                 | 5.0 warning, there may be dogs<br>7.3 spring water pouring out of mountain |
| 8.4   | 3.7                        | Left on Millers Corner  | Just after a sign saying "4 miles Chaneyville"<br>8.8 Beaver dam on left   |
| 12.1  | 0.8                        | Right at T onto Ragged Mt. Rd.                                  | ...  |
| 12.9  | 0.2                        | In Chaneyville bear left  |  |
